

CERTIFICATE

NO.: BC-010-20-10

The expert in accordance with § 29b BImSchG (Federal Immission Control Act) and occupational safety/SMS auditor

Dipl.-Ing. (FH) Reiner Simnacher (SIS)

Virchowstr. 16/1, 89075 Ulm

certifies that

the company

Betz-Chrom GmbH

Am Haag 11

82166 Gräfelfing

at the operating location Gräfelfing has introduced a safety management system (SMS) which is applied successfully.

An audit on 21.10.2020, documented in an audit report, has provided evidence, that the requirements of the Hazardous Incident Ordinance (Annex III) for a safety management system are met.

In conjunction with an annual surveillance audit the certificate is valid until 10/2023.

The test basis was the IM manual of Betz-Chrom GmbH in the version valid at the time of the audit.

Ulm, 06.11.2020
